

# ROOTED IN WELLNESS

STATEWIDE HEALTH FAIR

A NORTH CAROLINA BLACK ALLIANCE EVENT

## listen & learn

Join the North Carolina Black Alliance and our Faith-Based partners for our first Statewide Health Fair Event. Community is where so many of us find our roots of support and helps bring us closer to resources that benefit our mind, body, and soul.

Learn how your community can help you be **#RootedInWellness** through essential health screenings, ways to add more movement into your day, and how Black elected officials are working to address healthcare disparities.
